2. Functionality of website:

The navigation bar allows users to interact with the page based on their specific needs. This domain entails a different view depending on the user. The toolbar icons change depending on the user type to allow of appropriate access:

General Public View

LEA and School Level Users (Public Tabs + 2 Additional Tabs)

Note: LEA will also see the details for students assigned within their related schools. School users will only see students selected from their school. ADE Admin (State Level) users will see all the students at all schools.

If you have any questions about your user type, please contact the ADE State MEP Office. <http://www.azed.gov/populations-projects/migrant-program/>

Home Page: The home page welcomes the general public and provides a brief overview of the program.

Services available:

A highly useful area of the portal is located on this page as members of the public are able to solicit information specific to their needs. On this page users are able to make many requests such as

- ▶ Request a Transfer Document

1. Flow of information:

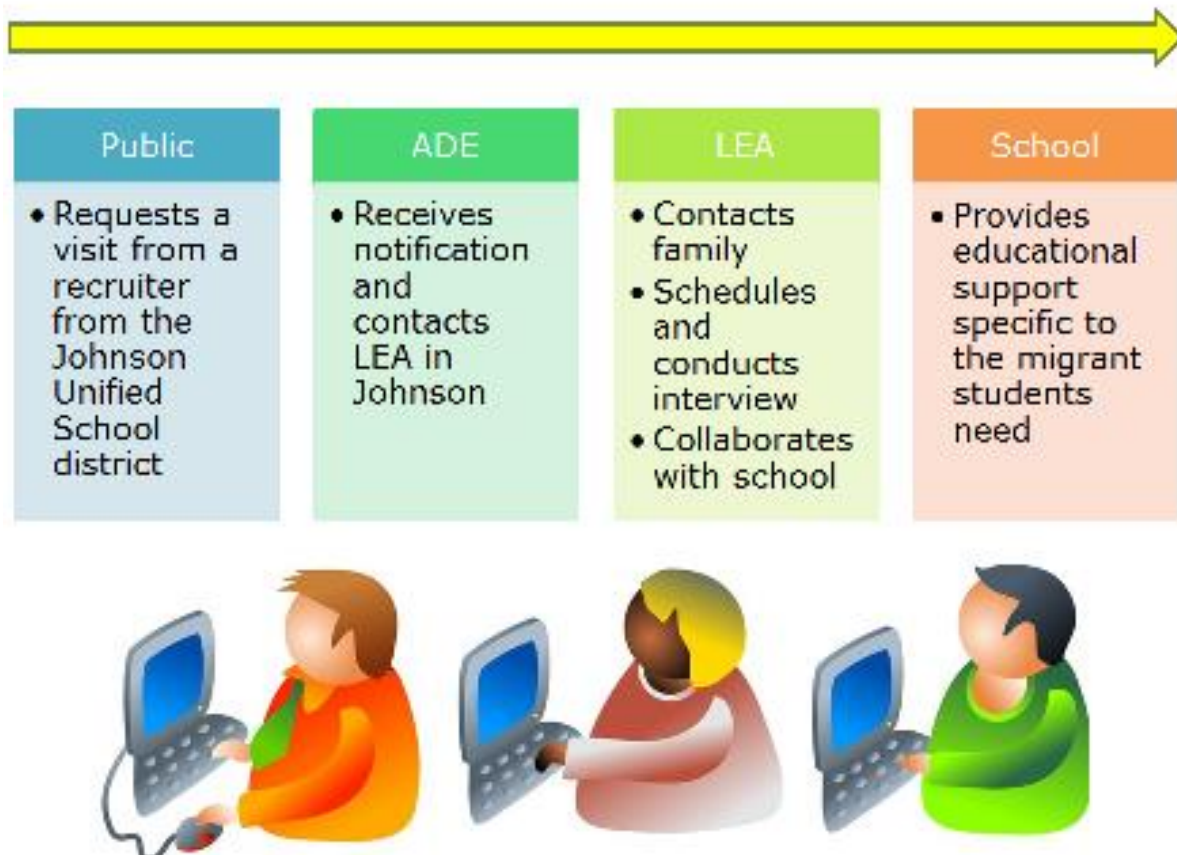

Initial requests for services will be received by ADE Portal Administrator and notifications will filter to the LEAs. The LEAs will then notify their MEP Portal Administrator and coordinate services at the school level. At any point the ADE may be involved to provide technical assistance to the public or LEA with inquiries.

1. Background:

An Overview of the Binational Migrant Education Initiative

As the number of Mexican nationals maintaining households in both Mexico and the United States continues to increase, creative efforts are being sought to promote continuity of education for children and to foster cultural understanding. The Binational Migrant Education Initiative (BMEI) is one such effort. The primary goal of BMEI is to improve the education of

migrant children who travel between the U.S. and Mexico. To promote and support such efforts, the U.S. Department of Education and the Ministry of Education in Mexico signed a Memorandum of Understanding in 1990. The memorandum of Understanding outlines the following objectives:

- ▶ To reinforce knowledge about the history, culture, values, and national traditions of Mexican-origin students who live in the U.S., strengthening their identity and improving their education.
- ▶ To encourage ongoing communication between U.S. and Mexican teachers in order to share educational experiences that promotes the continuity of educational practices.
- ▶ To improve the educational services offered to the Mexican and Mexican-descent school population living in the U.S. through the Binational Teacher Exchange Program.

5. Frequently Asked Questions

When in doubt, please contact the Arizona Department of Education's Migrant Education Program.

Binational MEP

- **What is a Transfer Document?**
The Transfer document is an official document that LEAs may use to document the academic progress of their student
- **Who is authorized to sign the Transfer Document?**
The LEA may designate an authority to sign these documents, typically a school principal or records clerk
- **Does a student have to be Migrant in order to use the Transfer Document?**
No, the transfer document facilitates the records exchange between students who move between the United States and Mexico regardless if they are migratory
- **Is use of the Transfer Document mandatory?**
The Arizona MEP strongly encourages the use of the Transfer document, but LEAs are able to use other transfer materials to their discretion
